

April 13 Meeting Minutes

Baseball | Soccer Fields – A brainstorming session on how to improve this key element of our park included the following wish list:

- An additional permanent bathroom near the baseball fields,
- A new drinking fountain with a water bottle fill station.
- A concession stand with profits going to FoWP.

If there are any community members interested in being on this committee, please email friendsofwilshirepark@gmail.com

Play Area | With the improvements to the toddler area completed, we discussed the desire to make improvements to the older kids' play area. PP&R and Friends of Rose City Park recently raised over \$250,000 for a similar improvement of their park. If there are any community members interested in being on this committee, please email friendsofwilshirepark@gmail.com

Old Wading Pool | Remember the wading pool? We do! What if we could install a splash pad to replace the old wading pool? One of our committee members has reached out for cost estimates and has agreed to head this future project. If there are any community members interested in being on this committee, please email friendsofwilshirepark@gmail.com

Dog Park Improvements | We continue work on our current major fundraising project to bring a water source to the dog park. We have raised approximately \$7,000 toward our goal of \$22,000. If there are any community members interested in being on this committee, please email friendsofwilshirepark@gmail.com

The fundraising committee has lined up restaurants to participate in a Dine to Donate program in May and June and throughout the summer. Please tell everyone you know to join us at at **Tacovore on Wednesday May 18 and Steeplejack on Wednesday, June 15**. Support your local businesses as they donate a portion of their sales to help us reach our goal.

We are working with the office of Commissioner Rubio to have her attend a Wilshire Park event this summer. More info to come.

Next meeting is Wednesday May 11th, at 7pm.
